

**Conflict Management Consultants
for Congregations
(compiled by the USS Healthy Congregation Task Force)**

The following list represents resource people and organizations who make themselves available to congregations wanting to contract with a professional consultant for assistance in managing their conflicts. This list is not exhaustive, but those listed were contacted at the time it was compiled to ensure information was accurate at the time of publication (Spring 2009).

Appearance on the list below does not constitute an endorsement by the USS.
